

# McKINLEY JOGATHON

## Friday March 13, 2015

The McKinley Jogathon is a school fundraiser and fun day of physical activity that teaches kids what they can accomplish when they set a goal and train for it. Kids feel the pride of accomplishment, both because of their physical feat, and also because they can make such a difference for their school. Kids collect pledge donations from friends and family for each lap they run, and those funds directly support McKinley's science and technology needs and physical education.
